Flagstaff Light Co. street light	120 30

The claim of Ed Beal in the sum of \$95.81 for pipe and ditch was ordered credited on his water rent.

The street supervisor was instructed to build the abutment wall on the west end of the foot bridge on Aspen avenue.

The water superintendent was instructed to raise the fire plug on Aspen avenue on the west side of River de Flag, to the proper grade.

A petition was presented asking that a retaining wall be built on the south side of Railroad ave. and that the name of the street be changed. On motion it was carried that said petition be referred to the committee on streets and alleys, and said committee was instructed to see what the railroad company would do toward building such a wall.

A petition was presented asking to have a fire plug placed on the corner of Dale avenue and San Francisco street. Same was referred to the water committee.

Mr. Powers was appointed a committee of one to draw an amendment of Ordinance No. 134 providing for proper drainage of alley crossings and specifications for curb lines.

The clerk was instructed to issue warrants in favor of the Arizona Central Bank to pay the semi-annual bond interest due July 15, 1911.

The tax collector was instructed to refund to M. F. Taylor his dog license.

Mrs. H. E. Wiltse made application for a license to retain a dog kennel. The same was referred to the license committee.

The clerk was instructed to take an inventory of all the personal property belonging to the town and to keep a record of same, also a record of all supplies purchased in the future and to check said record every three months.

Upon motion, which carried unanimously, the office of the water superintendent was declared vacant.

The street and alley committee was instructed to order a cement sidewalk built along the west side of block 17, from Birch avenue to Aspen avenue on San Francisco street, according to specifications and grades.

There being no further business the council adjourned until the next regular meeting, unless a special meeting be called sooner than that time.

Approved: R. F. Bongburg,  
 Attest: L. F. Doyle, Mayor.  
 Clerk.

Whooping cough is not dangerous when the cough is kept loose and expectoration easy by giving Chamberlain's Cough Remedy. It has been used in many epidemics of this disease with perfect success. For sale by all dealers.
